

## Take the field...

The DuPage County Hounds would like to invite your youth team to be on the field with us during our pre-game batting practice. The kids can bring their gloves and hang out with our stand-out collegiate baseball players from universities all over the country.

## Train like a Hound...

We also invite you to come early for an instructional segment (small group lessons) with Hounds coaches and players. There will be at minimum a four to one player to coach ratio. Hounds players and coaches will help give your son proper instruction in hitting, throwing, fielding, etc...

## Stay for the game...

We would like to extend our invitation to stay for the game & help support the Hounds  
\*\*\*Tickets for every player included in each package\*\*\*
